

STOP!

Fever, cough, or breathing problems?

Do Not Enter!

If you have recently travelled,
you must self-isolate for 14 days.

If you suspect you have **Coronavirus**:
please **RETURN HOME** immediately to self-isolate
and consult with your local government and/or public
health authority for further assistance.

If you don't have symptoms, you may still
be carrying and spreading the virus, so
please take additional care at all times.
